APPLYING FOR ADMISSION TO MARIETTA COLLEGE

What We Consider

Marietta College seeks students who are prepared to meet the challenge of a rigorous college curriculum. The Admissions Committee considers the applicant's high school record, including the college preparatory courses taken, grades received, and scores on national examinations. Furthermore, it evaluates each applicant's energy, motivation, potential, emotional maturity, seriousness of purpose and attitude toward learning. Each application is read carefully.

Additionally, we seek students who are more than just academically prepared. The College prides itself on its strong sense of community and the diverse backgrounds and varied interests of its students. The Committee considers the ways in which each applicant will bring quality and vitality to the Marietta community. Such things as extracurricular activities, nonacademic interests, and creativity all become part of the admissions decision.

Marietta College is a member of the National Association of College Admissions Counselors (NACAC) and endorses the *Statement of Principles of Good Practice*.

The Admission Calendar

You may apply between August 1 and May 1 of your senior year. **The Early Action** deadline is November 15th. Admission decisions will be mailed out December 15. Early Action is in your best interest as it is **non-binding**. **Regular Decision** begins on November 16. Decisions will be made on a rolling basis and will be mailed out starting January 15. If you are admitted to Marietta and plan to enroll, you must **submit a \$200 advanced deposit by May 1**. Deposits made in advance of this date are refundable until May 1. Earlier dated deposits will have priority consideration for residence hall preferences and freshman seminar selection.

Counselor Recommendation

Please fill in the top portion of the Counselor Recommendation before giving it to your counselor. They should complete and return the form to Marietta College along with your transcripts. Upon enrolling at Marietta College, you will need to provide a final transcript that includes your graduation date.

Admission Tests

You are required to submit test scores from either the ACT and/or the SAT. We do not have a preference on the test you take. You may ask your scores be sent to us directly or they may be reported on your transcripts. Marietta's SAT number is 1444 and our ACT number is 3290.

Essay

Marietta College requires that you submit an essay as part of your application. We give you four options from which to choose, so you may pick the one you find most interesting.

Application Fee

Fundamentally we believe that you should not have to pay to apply for college. Ever.

Financial Aid

The Marietta College scholarship and financial aid programs are designed to make a Marietta education accessible to all students. To apply for need-based assistance, new freshman must provide the Free Application for Federal Student Aid (FAFSA).

The FAFSA is available beginning in October at FAFSA.GOV. Be sure to include the Marietta College code, 003073. You are strongly encouraged to complete and submit all financial aid materials as soon as possible after October 1. To ensure full consideration for financial aid please submit all materials by February 15.

Scholarships

No additional application is necessary in order to be considered for Marietta merit-based scholarships. To ensure full consideration for scholarships please submit your application for admission by February 15.
