

Studio Art

Degree: Bachelor of Arts in Studio Art

As a studio art major at Marietta, you'll have the opportunity to develop your own visual voice while mastering fundamental principles and a range of studio techniques. Marietta is the ideal place to obtain a degree in art. The study of the arts is inherent in the definition of liberal arts, and something that we strive to promote in our core curriculum. Not only will your time at Marietta make you a better artist, it will prepare you for graduate school and for a professional career in art.

Honor Societies and Student Organizations:

The **Arts and Humanities Council** has four purposes: to provide an atmosphere conducive to and supportive of creative and artistic endeavors; to create an on-campus residence community for individuals who share a common respect and interest for the fine arts and humanities; to offer a variety of programming and social opportunities for the entire campus relating to the arts and humanities; and to promote pre-existing campus organizations in the humanities and arts.

Kappa Pi is an international art fraternity that was established on the Marietta College campus in 2004. Students that have completed at least 12 credit hours in art history, graphic design, or studio art, and have at least a 3.0 GPA in all art classes are eligible for membership. The organization recognizes the achievements of both studio art and graphic design majors and minors. Kappa Pi hosts social events and lectures throughout the year and promotes a stronger appreciation for art among artists and students across the campus.

Scholarship Opportunities:

The Art Department offers its own merit-based scholarship for incoming freshman applying to the Studio Art and Graphic Design programs. This scholarship is a cash award selected from personal interviews consisting of a portfolio review and an on-site practical demonstration. Interested high schools seniors should contact the Art Department at art@marietta.edu to learn more. Scholarship meetings are scheduled in the winter for fall enrollment of the same year. The Fine Arts Talent Competition awards scholarships to encourage participation in the arts and to reward students who will enrich Marietta's cultural environment. The scholarship is renewable and is awarded in art, music, and theatre
