About Marietta College

Marietta College is located in Marietta, OH, situated on a 120-acre campus nestled near the scenic Muskingum and Ohio Rivers. We offer more than 40 majors and 30 minors and provide many academic choices that are lacking in other liberal arts colleges such as Petroleum Engineering, Athletic Training, & The McDonough Leadership Program. We have a student/faculty ratio of 12 to 1 and an average class size of 15 students, so you will receive individual attention from and interact with professors, 92 percent of whom hold a Ph.D. or the highest degree in their field.

Our basketball program competes in the toughest Division III basketball conference in the country. The Ohio Athletic Conference continually has several teams ranked in the top 25 nationally and has a lot of success in the NCAA Division III National Tournament. We also have the luxury of playing in one of the finest small college athletic facilities in the country. We have a newly renovated arena and recreational center that our players enjoy using.
