Use this form so you may contact another NCAA Division III college or university's athletics staff members (including coaches) about a possible transfer. This form does not allow you to contact athletics department staff members at NCAA Division I or Division II institutions.

NCAA Division III Bylaw 13.1.1.2 states that:

An athletics department staff member or other representative of an institution's athletics interests shall not make contact in any manner with the student-athlete of another NCAA or NAIA four-year collegiate institution without first obtaining written permission to do so. Written permission may be granted by:

- (a) The first institution's athletics director (or an athletics administrator designated by the director of athletics); or
- (b) The student-athlete, if the student-athlete attends a Division III institution.

This form gives you permission to have contact with the athletics staff at another Division III college or university to discuss a potential transfer. It also gives another college or university permission to contact you. This form does not include any information about your academic or athletics eligibility; however, in order to be immediately eligible to compete at the new institution, you must have been both academically and athletically eligible for athletics had you stayed at your current institution.

This form is effective for 30 days from the date of signature. While the form is effective, the new institution may contact you or you may contact the new institution. If this is the first time you have sent this form to a particular institution, then that institution must preserve the privacy of this contact, and any further communication for 30 days. If you desire, this privacy can be waived by checking the box on page two of this form. At the end of the 30 day period, if you decide to transfer, your new institution must notify your current institution within a seven day period of the form's expiration date that this form was issued.

If you decide not to pursue the transfer, the new college or university is not allowed to notify your current institution of the contact at any time. If you are undecided at the end of the 30 day period, you must send a new copy of this form to have additional contact with the college or university. Further, because this second release is beyond the first 30 day period, you are not guaranteed privacy for a second (or any other) self-release. Within seven days of receiving a second form from you, the college or university must notify your current institution that a second release was issued.

By signing this form, you agree that you permit the named college or university to contact you for a 30 day period from the date this document is signed. You also agree that if you decide to transfer, or if you send a second self-release, the new college or university will notify your current institution of these facts. Institutions in receipt of this form are not allowed to notify your current institution of this release, unless:

- (a) You have granted permission for that notification to occur by checking the box near the end of this form;
- (b) You notify the institution in receipt of the form that you have decided to transfer to that institution; or
- (c) You have issued a second self-release.
