

MARIETTA COLLEGE CAREER CENTER

preparing students
for successful futures

The Marietta College Career Center provides career advising; access to experiential education; state-of-the-art job search and graduate school resources and programs; and the necessary tools to transition from Marietta College to the World of Work.

The Career Center believes that students grounded with a liberal arts education combined with practical experience and career planning skills can radically transform the 21st century marketplace.

You and your organization can help make a difference in the lives of current Marietta College students, their professional development, and the success of your company.
