

LEGACY SOCIETY

Members of the Legacy Society are a special group of donors who have remembered the College in their will or estate plan. By doing so, they help ensure the quality, distinctiveness, history, and tradition of a Marietta College liberal arts education, making it available for future generations. Legacy Society members believe in Marietta College's long and proud heritage and share in its continued preservation. Furthering the future of the College is not a new concept for our alumni and friends. Over the past 183 years, the College has been shaped and nurtured by a cavalcade of individuals with clearly defined, passionate beliefs about helping perpetuate an education of extraordinary value. The individuals listed below ensure the existence of Marietta College far into the future. Their gifts will support a variety of college priorities such as capital projects, scholarships, experiential learning experiences, study abroad, professorships, student services, campus beautification and operations, all programs essential to a vibrant liberal arts education for our students. The Legacy Society makes it possible for Marietta College to honor these far-sighted donors. We are deeply grateful for their vision and philanthropy and hope that their leadership will inspire others. Membership is automatically conferred to individuals and families when the College receives documentation of a planned gift intended to benefit Marietta College.
