

OUR VISION

Our graduates make a profound impact in their communities and around the globe.

OUR MISSION

Our global mission is to inspire and empower students to **DISCOVER** (Dream, Imagine, Seize, Create, Observe, Validate, Evaluate, Recognize) opportunities through an entrepreneurial mindset.

THE ACADEMIC MINOR

The Entrepreneurship minor complements any major by helping students develop innovative and creative mindsets and transformative skills necessary to start or grow for-profit or non-profit organizations in their fields of interest successfully.

ENTREPRENEURSHIP PROGRAM AT MARIETTA COLLEGE

PioPitch

EMPOWERING IDEAS

PioPitch: A venue for

- o established and aspiring entrepreneurs (including students) to pitch their ideas and receive real-time feedback;
- o students to find sources of inspiration and empowerment and to build relationships and networks to secure mentorships, internships, and jobs;
- o community members to learn about entrepreneurial activities.

PioBiz

BUSINESS PLAN COMPETITION
AT MARIETTA COLLEGE

PioBiz: An annual business plan competition that

- o awards up to \$10,000 in cash and in-kind support to the winning students to start a business;
- o provides mentorship and guidance to students while they develop their business;
- o provides office space (PioBiz Incubator) on campus for the winning students;
- o hones students' mindsets and abilities to reach their professional dreams.

MOVEE

MID-OHIO VALLEY
Entrepreneurship Expo

An annual full-day comprehensive conference that

- o serves as hub of inspiration, education, and innovation for students, business owners and entrepreneurs;
- o unites experts, educators, current and aspiring entrepreneurs (including students), in networking, benchmarking, and resource sharing.

Entrepreneurship Mentorship (EM): A program that

- o connects students with members of the Long Blue Line--our successful and engaged alumni--and other experienced entrepreneurs;
- o enables students to learn from their mentors how to move their ideas forward and achieve their professional goals.
