Ohio Educator Preparation Provider Performance Report

Marietta College

Institution Profile

(Data Source: Marietta College)

Marietta College is a private, coeducational, nonsectarian, undergraduate, residential, contemporary liberal arts institution founded in 1835. Academic majors range from the liberal arts to pre-professional programs such as education, sports medicine, and petroleum engineering. It is one of America's 37 "Revolutionary Colleges," institutions with origins reaching back to the 18th century. Marietta College was originally founded as the Muskingum Academy in 1797. Enrollment during the 2011-12 academic year was 1450 students from more than 40 states and 20 countries.

Education Department

The Education Department seeks to prepare educators as leaders for 21st century schools by providing our candidates with the coursework and clinical experiences necessary to demonstrate high levels of content knowledge, effective pedagogy, efficacy, reflection, and collaboration skills. Candidates may pursue teaching licenses in early childhood education, middle childhood education, mild to moderate intervention specialist or adolescent young adult content areas of biology, chemistry, physics, English language arts, mathematics or social studies.

**Ohio Teacher Evaluation System (OTES) Results for Ohio Teachers Prepared by an
Ohio Educator Preparation Provider at Marietta College**

Reporting Period from Sept 1, 2015 to Aug 31, 2016
(Data Source: Ohio Department of Education)

Description of Data:

Ohio's system for evaluating teachers (Ohio's Teacher Evaluation System) provides educators with a detailed view of their performance, with a focus on specific strengths and opportunities for improvement. The system is research-based and designed to be transparent, fair, and adaptable to the specific contexts of Ohio's school districts. Furthermore, it builds on what educators know about the importance of ongoing assessment and feedback as a powerful vehicle to support improved practice. Teacher performance and student academic growth are the two key components of Ohio's evaluation system.

Limitations of the Ohio Teacher Evaluation System (OTES) Data:

1. The information in the report is for those individuals receiving their licenses with effective years of 2012, 2013, 2014, and 2015.
2. The teacher evaluation data in this report are provided by the Ohio Department of Education.
3. Due to Ohio law, results must be masked for institutions with fewer than 10 completers with OTES data.

**Ohio Principal Evaluation System (OPES) Results for Individuals Completing
Principal Preparation Programs at Marietta College**

Reporting Period from Sept 1, 2015 to Aug 31, 2016
(Data Source: Ohio Department of Education)

Description of Data:

Ohio's system for evaluating principals (Ohio's Principal Evaluation System) provides building leaders with a detailed view of their performance, with a focus on specific strengths and opportunities for improvement.

The Ohio Principal Evaluation System (OPES) data reported here are limited in that the information in the report is for those individuals receiving their licenses with effective years of 2012, 2013, 2014, and 2015.

Field and Clinical Experiences for Candidates at Marietta College

Reporting Period from Sept 1, 2015 to Aug 31, 2016
(Data Source: Marietta College)

Description of Data:

Ohio requires that educator candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements beyond the requisite statewide minimums for these placements vary by institution and by program. The information below is calculated based on data reported by Ohio Educator Preparation Providers.

Teacher Preparation Programs	
Field/Clinical Experience Element	Requirements
Require edTPA National Scoring from candidates in teacher preparation programs at the institution	Y
Minimum number of field/clinical hours required of candidates in teacher preparation programs at the institution	150
Maximum number of field/clinical hours required of candidates in teacher preparation programs at the institution	365
Average number of weeks required to teach full-time within the student teaching experience at the institution	14

Ohio Educator Licensure Examination Pass Rates at Marietta College

Reporting Period from Sept 1, 2014 to Aug 31, 2015
(Data Source: USDOE Title II Report)

Description of Data:

Ohio educator licensure requirements include passage of all requisite licensure examinations at the state determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely for initial licenses.

Further, because the data are gathered from the Title II reports, there is a one year lag in accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not reflect the reporting year 2015-2016.

Value-Added Data for Students Taught by Teachers Prepared by Ohio Educator Preparation Providers at Marietta College

Reporting Period from Sept 1, 2015 to Aug 31, 2016

Description of Data:

Ohio's value-added data system provides information on student academic gains. As a vital component of Ohio's accountability system, districts and educators have access to an extensive array of diagnostic data through the Education Value-Added Assessment System (EVAAS). Schools can demonstrate through value-added data that many of their students are achieving significant progress. Student growth measures also provide students and parents with evidence of the impact of their efforts. Educators and schools further use value-added data to inform instructional practices.

Limitations of the Value-Added Data:

1. The information in the report is for those individuals receiving their licenses with effective years of, 2012, 2013, 2014, and 2015.
2. The value-added data in this report are those reported by Ohio's Education Value-Added Assessment System (EVAAS) based on reading and mathematics achievement tests in grades 4-8.
3. For Educator Preparation Providers with fewer than 10 linked teachers or principals with value-added data, only the number (N) is reported.

Pre-Service Teacher Survey Results

Reporting Period from Sept 1, 2015 to Aug 31, 2016

Description of Data:

To gather information on student satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Department of Higher Education administers a survey aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. All Ohio candidates receive an invitation to complete the survey during their professional internship (student teaching). The results of this survey are reflected here. A total of 3,445 respondents completed the survey statewide for a response rate of 69 percent.

National Accreditation Status

Reporting Period from Sept 1, 2015 to Aug 31, 2016
(Data Source: Ohio Department of Higher Education)

Description of Data:

All educator preparation programs (EPPs) in Ohio are required to be accredited by either the National Council for Accreditation of Teacher Education (NCATE), the Teacher Education Accreditation Council (TEAC), or their successor agency, the Council for Accreditation of Educator Preparation (CAEP). Accreditation is a mechanism to ensure the quality of an institution and its programs. The accreditation of an institution and/or program helps employers evaluate the professional preparation of job applicants.

Excellence and Innovation Initiatives

Reporting Period from Sept 1, 2015 to Aug 31, 2016
(Data Source: Marietta College)

Description of Data:

This section reflects self-reported information from Ohio Educator Preparation Providers on a maximum of three initiatives geared to increase excellence and support innovation in the preparation of Ohio educators.

Teacher Preparation Programs

Initiative:	Integrated Preparation Program Initiative
Purpose:	Creation of a dual Pre-K-5/ Intervention K-12 License Program
Goal:	To work with teachers and principals from 5 partnership schools to create a clinically based dual program.
Number of Participants:	17
Strategy:	The following has been accomplished: 1) Identification of 5 partnership sites for the program, 2) Creation of clinical practice teams consisting of general and special education teachers at each site to help with the design and implementation of the program, 3) Meetings with college faculty and clinical practice teachers to design a course of study, assessments, and clinical activities for the program. 4) Summer professional development for teachers and college faculty to focus on universal design, behavior supports, co-teaching, and technology. The new dual program will be submitted to ODHE for approval in the spring of 2017.
Demonstration of Impact:	A course of study and several new and revised courses have been developed. Five local schools have committed to serving as partner sites for field and clinical experiences.
External Recognition:	Grant funding from the Ohio Deans Compact for Exceptional Children
