

Hub of Inspiration, Education, and Innovation for Business Owners and Entrepreneurs

Is your business or nonprofit organization looking to increase its visibility while promoting economic growth and job creation in the Mid-Ohio Valley? If yes, become a sponsor of the **2nd annual Mid-Ohio Valley Entrepreneurship Expo (MOVEE)!**

Scheduled for **Friday, September 29, 2017**, MOVEE provides business owners and aspiring entrepreneurs the opportunity to network and gain valuable tools and resources necessary to start, maintain, or expand their operation.

The conference is expected to be attended by over 200 entrepreneurs, business owners, community leaders, high school and college students and faculty, and other interested individuals.

Participants will hear inspiring stories from a panel of entrepreneurs and a keynote speaker in plenary sessions. In concurrent sessions, attendees will gain specific tools and information on timely topics related to marketing and promotion, finance, insurance, legal, and new policies and regulations that affect businesses. In addition, there will be a Vendor Showcase where sponsors can promote their goods and services and network with attendees via short pop-up sessions and direct one-on-one meetings.
