

Portfolio Assignment # _____

Name: _____

Due Date: _____

Assignment	Title	Format	Comments	Grade			
				Tech.	Comp.	Art.	Total

Instructions: Fill out the Portfolio assignment #, your name, and the date. In the Assignment column put in the number & name of the assignment (diagram, microscope, etc.), in the Title column put the title you are giving your work, in the Format column put the format the image is presented in (network, CD, print, slide, etc.) Turn in this sheet with your assignment. Digital images should be no larger than 1500 pixels horizontally and 1000 pixels vertically; they may be in any format readable by Adobe Photoshop CS (**although JPG is preferred**). Unless otherwise specified, images should be in an image format, **not** in Word, PowerPoint, etc.
