

**Marietta College  
Summer Honors Institute  
Publication Release**

During the week of the Summer Honors Institute, photographs will be taken of the activities for possible future use on the Summer Honors Institute's website, in Institute program brochures, and/or in press releases or news stories related to the Institute.

Please sign below to indicate your permission or denial of permission to have your child included in photos which may be published on the Summer Honors Institute website, in official Summer Honors Institute literature, or used as part of a press release or news story.

At no time will participants' names, hometowns or schools be published in conjunction with the photographs.

**Consent**
