Dear Graduate and family:

Bruce Heflin Photography will be taking pictures at your commencement. Each graduate is photographed receiving their diploma. A cap & gown photo will also be taken of them individually holding their diploma before they return to their seat.

Before and after the ceremony, photographers will be roaming around taking candid pictures of the graduates with their families and friends.

We are excited to announce a new feature to our photography services. A QR code will be provided to the graduates to register for pictures ahead of time. They can register on any cell phone by uploading a selfie. Additional details will be provided to the graduates prior to the ceremony. As graduates register, they may provide up to 14 cell phone numbers and/or emails to which images will be sent immediately when possible. If circumstances prevent immediate distribution, images will be sent immediately after the ceremony.

We hope this new program will enhance our service to you and your families. NO one is in any obligation to purchase anything.

If you have any questions, please feel free to contact our office. 614-478-5345 or brucelheflin@gmail.com

Thank you:

Bruce L. Heflin
