

WELCOME TO MARIETTA COLLEGE'S ONE HUNDRED EIGHTY-SIXTH ANNUAL COMMENCEMENT

With roots that reach back to the 18th century Muskingum Academy, Marietta College was officially chartered on February 14, 1835, by the State of Ohio as an institution charged with educating youth in all the various branches of the liberal arts and sciences. From the beginning, Marietta has been an independent, nonsectarian, liberal arts college.

Today's graduates share a common foundation of courses in written and spoken communication, and have been required to acquire a coherent experience in several fields of study. Moreover, each has pursued an in-depth study of a discipline in one or more of over 50 undergraduate and graduate programs. Marietta College grants degrees to these individuals, confident they have been readied to exercise their callings with competence and to fulfill their civic and social responsibilities with understanding.

The individuals receiving degrees today will join more than 25,000 living Marietta College alumni as members of The Long Blue Line.

COMMENCEMENT SPEAKER

DR. VICKY WOOD

Dr. Vicky Wood is the president of Washington State Community College (WSCC), located in Marietta, Ohio. During her time as president, she has advanced the college through innovation and collaboration. Under her leadership, the college has demonstrated excellence in academic programs and instruction, as well as increased student access and success.

During her presidency, the college transformed the student experience through the successful implementation of Guided Pathways. This accomplishment included the creation of the Center for Student Success to expand support services, the establishment of a Student OneStop to enhance the student experience throughout the entry phases of enrollment, and over \$4 million in facility and equipment upgrades to support student learning.

Dr. Wood's political advocacy and a state policy change brought about her hallmark achievement, WSCC's approval to expand its degree-granting authority to include a Bachelor of Science in Nursing. This victory changed the college's mission and positioned the institution to provide increased access to education to support the region's greatest workforce need.

Dr. Wood is a board member of the Southeastern Ohio Port Authority, the Marietta Area Chamber of Commerce, and the Ohio Association of Community College's Leadership Academy. Additionally, she is a member of the Marietta Noon Rotary Club, Frontier Local Economic Development Association, and the National Center for Inquiry and Improvement's Rural Leader Learning Community.

Formerly, Dr. Wood served as provost and vice president of academic affairs and student services at Marion Technical College (MTC). She is also an alum of the prestigious Aspen Presidential Fellowship for Community College Excellence and serves on the Aspen Presidential Alumni Advisory Council.

With more than 25 years of higher education leadership experience, Dr. Wood is a first-generation college graduate who came through the faculty ranks before moving into leadership roles such as dean and provost. She holds a doctorate in higher education leadership from The University of Toledo, a master's in education from Bowling Green State University, a bachelor's in education from Ashland University, and an associate in business from Marion Technical College. She and her husband, Rodney, have three adult children: Morgan, Colin, and Ryan.

*As a courtesy to the graduates and those in attendance today, please turn your cell phones to vibrate.
We also ask that all family photographers remain in their seats when taking photos or go to the assigned area off to the left of the stage.*

MUSIC FOR THE OCCASION

“Take the Moon”

Written By: Dr. Jay Dougherty

Marietta College Concert Choir
Director: Dr. Jay Dougherty, Associate Professor of Music

If ever there was a way to share,
My thankful heart for your grace,
I'd capture the moon, hold it with care,
And say farewell with song, with the moon,
with embrace.

Chorus:
Say Goodbye, just for now, not forever,
Say Goodbye, friend of mine,
Say Goodbye, to this journey together,
Say Goodbye, for a time.
The sun will rise on the morrow,
Until then, take the moon.

Late at night, when you see the moon rising
just beyond the horizon,
I will see it too. I will see it too.
And when the moon washes o'er the earth,
It covers both me and you.
I will see it too. I will see it too.
And say farewell with song, with the moon,
with embrace.

In harmony we end,
This great treasure, my friend.
We'll cherish the time that we had.
But now we must part.

Gladly do we sing thy praises

How many brave hearts struggled
Because they loved thee well.
'Twill be our firm endeavor
To stand up for the right,
