

GUARANTEED INTERVIEW

In order to qualify for a guaranteed interview for the Physician Assistant Program, Marietta College students must complete at least 50% of prerequisite courses at Marietta College. Your total time at Marietta College must equate to a minimum of two years. Students must earn a minimum of 2.0 on a 4.0 scale for each individual course and a cumulative prerequisite GPA of 3.4 on a 4.0 scale. Additionally, students must have or be completing a bachelor's degree, obtain GRE scores, official transcripts from all colleges attended, complete the Altus Suites assessment, have a cumulative GPA of 3.2 on a 4.0 grade scale and no conduct violations resulting in institutional suspension and/or dismissal to be a complete application. This interview does NOT guarantee a position in the Physician Assistant Program co-hort.

Biology Requirements

BIO 202 (4 hours) Microbiology with lab
