

# MILLS SOCIETY

---

The W. W. Mills Annual Giving society recognizes and honors those donors who annually contribute to The Marietta Fund, The Pioneer Club, The Student Aid Fund or other accounts which provide annual unrestricted and restricted funds to support the College's operational needs. Gifts of \$1,500 or more annually qualify a donor for membership in The President's Leadership Circle. In honor of the year Marietta College was founded, our starting level for President's Circle increased to \$1,835, effective July 1, 2017. Listed here are members of The President's Circle. Each year, members play a critical role in making sure that all students have an opportunity to have the best Marietta College experience. Members provide the foundation to Marietta College's tradition of excellence and the necessary means to carry that excellence into the future. Membership in The President's Circle is vitally important as gifts account for 80% of the philanthropic support given to The Marietta Fund each year! Your membership in this group creates an integral support system for Marietta College's ongoing pursuit of a distinctive education.
