

PRESIDENT'S CIRCLE

Gifts of \$1,835 or more annually qualify a donor for membership in The President's Leadership Circle. Each year, members play a critical role in making sure that all students have an opportunity to have the best Marietta College experience possible. Members provide the foundation to Marietta College's tradition of excellence and the necessary means to carry that excellence into the future. Membership in The President's Circle is vitally important as gifts account for over 80% of the philanthropic support given to The Marietta Fund each year! Your membership in this group creates an integral support system for Marietta College's ongoing pursuit of a distinctive education.

ERWIN ACADEMY

Marietta College's most prestigious gift society, the Erwin Academy, honors alumni and friends who support the College at its highest levels and make it possible for our students to learn in a campus environment which fosters academic, athletic, and civic-minded excellence. The Academy is named for Cornelius B. Erwin, a friend of the College, who, in his 1880's will, created the first endowed scholarships and provided operating funds for the College. Membership is granted by presidential invitation to individuals who contribute gifts which cumulatively total \$50,000 or more during their lifetimes. Membership in the Erwin Academy is available on an individual or joint basis, at six recognition levels. Members advance within the academy as their lifetime giving increases.

LEGACY SOCIETY

Members of the Legacy Society are a special group of donors who have remembered the College in their will or estate plans. By doing so, they help ensure the quality, distinctiveness, history and tradition of a Marietta College liberal arts education, making it available for future generations. Legacy Society members believe in Marietta College's long and proud heritage and share in its continued preservation. Furthering the future of the College is not a new concept for our alumni and friends. Over the past 183 years, the College has been shaped and nurtured by a cavalcade of individuals with clearly defined, passionate beliefs about helping perpetuate an education of extraordinary value. The individuals listed below ensure the existence of Marietta College far into the future. Their gifts will support a variety of college priorities such as capital projects, scholarships, experiential learning experiences, study abroad, professorships, student services, campus beautification and operations—all programs essential to a vibrant liberal arts education for our students. The Legacy Society makes it possible for Marietta College to honor these far-sighted donors. We are deeply grateful for their vision and philanthropy and hope that their leadership will inspire others. Membership is automatically conferred to individuals and families when the College receives documentation of a planned gift intended to benefit Marietta College.
