Marietta College

WELCOME TO

Living On-Campus at Marietta College

It is my honor and privilege to welcome you to Marietta College. You have made the momentous decision to join many talented and responsible young adults who seek their full potential through intentional growth and development.

Living on campus
can be one of the
most rewarding
experiences of a
lifetime.

Marietta College and the Office of Community Living embodies the essential elements of success through residential living and learning environments, equipped with impeccable staff and increasingly improved facilities and amenities to suit the needs of today’s students. It is through the residential experience that many college students find their close friends and can express their intersecting identities each and every day. Resident Assistants facilitate regular events and activities and serve as peer mentors within the halls. Alongside Marietta College PD, RAs ensure the safety and well-being of students who seek a welcoming home and community. Our dining facilities, recreation center, academic and administrative resources, and a beautifully maintained campus await your new life as a Pioneer.

As you embark on this new journey, we implore you to create your own unique path and to utilize our staff as resources for you throughout all four years of your Marietta College residential experience. Our website (www.marietta.edu/housing) contains plenty of significant information, but if you need to contact us, please call (740) 376-4784 or email ocl@marietta.edu and one of our Office Assistants or professional Assistant Directors will respond promptly to assist in your transition to college.

We look forward to meeting you upon your arrival in August, and aspire to challenge and support you in the wonderful opportunities that Marietta College provides.

-Brian Medina
*Associate Dean of Students and
Director of Community Living*

OCL Mission Statement

Mission Statement

The mission of the Office of Community Living (OCL) is shaped by the philosophy that learning occurs both within and beyond the classroom in the setting of Marietta College. We believe that the environments and communities in which students live play a significant role in the social and interpersonal growth required for success in today's rapidly changing world.

Vision Statement

We seek to promote positive living communities that support Marietta College's academic experience and encourage the values of self-exploration, engagement, mutual respect and courtesy, communal responsibility, and camaraderie. These outcomes will be facilitated by provision of well-maintained and secure residential hall structures, trained professional and para-professional staff, purposeful interaction, meaningful programming, and opportunities for student involvement.

Office of Community Living Staff

The Office of Community Living assists with the concerns of students living on-campus and offers support to students in a number of areas. These areas include advising students, offering educational and social programming, assisting with roommate and personal problems, and dealing with maintenance issues within the residence halls. The Office of Community Living is made up of students and professionals who have been trained to provide a community environment in which a Marietta College student can grow and succeed personally and academically.

Office of Community Living staff members are available at all times of the day to assist residents. A Resident Assistant (RA) is on-duty in each hall or complex Sundays-Thursdays from 7 p.m. – 8 a.m. and on Fridays and Saturdays from 8 p.m.- 8 a.m. Resident Assistants are specially trained sophomores, juniors and seniors who live in each section of a residence hall. They assist individual students with personal, academic, and social concerns, and help develop a sense of community among residents. Your RA is one of the best people to go to with any questions or concerns that you may have.

A professional staff member (Assistant Director) can be reached in emergency situations by calling the Marietta College Police Department at **740-376-3333** or by calling the RA on duty by Cell Phone.

The Office of Community Living is located in Andrews Hall. Office hours are from 8:30 a.m. to 5 p.m., Monday through Friday. You can leave a message during off-hours at **740-376-4784** or you can email us at ocl@marietta.edu.

Office of Community Living Policies

The Marietta College Student Handbook is posted on the Marietta College website at www.marietta.edu/Student_Life/Living_on_Campus/housing/housing_forms. Every student is responsible for knowing the information in the Student Handbook. Some of our major policies include:

Room Furniture Policy: Each student room is furnished with a bed, mattress, desk, closet, dresser, Ethernet connection and cable television access. All furniture provided by Marietta College must remain in the assigned room at all times. No room furniture may be placed in storage, and these items must be in the room in their original condition and position at checkout.

Common Room Furniture Policy: Students are not permitted to remove furniture or any other items from any common areas in the residence halls to place in their rooms, suites, or apartments. Students who are found with common area furniture will be referred to the student conduct process.

Fire Policies: It is against our policies to pile belongings and/or empty boxes in the hallways. Please be considerate of the space around you as you are moving in. You must evacuate the building when the fire alarm sounds, even if you do not think it is a real fire. Please do not hang anything from the sprinkler heads in your room, and please do not cover your smoke detector.

Smoking: All residence halls are tobacco-free. This includes vaping and smokeless tobacco. Smoking or vaping in a room is against college policy. Please use all tobacco products and vaping devices at least 20-feet from any residential or academic building.

Decorating: Students are encouraged to decorate their room; however, duct tape is not permitted for use on walls, and no decorations can be hung on the ceiling. Be careful to use adhesives that will not damage the wall. Damage to walls from hanging decorations will result in billing upon check out of the room.

Pets: Students residing in the residence halls are not permitted to have animals besides fish in a 5-gallon fish tank.

Quiet Hours: All residence halls have quiet hours in effect from 11 p.m. to 11 a.m., though common courtesy is in effect 24 hours a day, and excessive noise is not permitted at any time.

Door Propping: To keep your belongings, yourself, and other residents safe, never prop exterior or room doors. Carry your room key and student ID with you at all times, and always lock your room door.

Break Housing: All residence halls close for Thanksgiving, winter, and spring breaks. Residents must request permission from the Office of Community Living to remain on-campus during breaks, and there is a fee of \$100 per week. Registration for break housing begins on-line in Residence five business days before each break.

Alcohol: All residence halls in the first-year complex are substance free. Any students who are under the age of 21 cannot consume alcohol on campus.

Check-in and Move-in Process

What is “Check-in?”

Check-in is the process that takes place prior to actually moving in one’s belongings, and it must be done with a staff member during scheduled check-in dates and times (included in the information you will receive with your roommate assignment letter).

When checking into the room, students will receive information about how to complete their Room Condition Report (RCR), an electronic form that documents any damage in their room, information about preventing damage to their room, as well as their room key. Please be prepared for the check-in process to take 30 minutes.

When Can I “Move In?”

Once the check-in process is complete, you may move in your belongings to your room. If you are arriving on the official First-Year check-in date, there will be volunteers available to assist you with moving your belongings into your new residence hall.

Early Arrival

If you are scheduled to arrive to campus early due to a College-sponsored activity or an athletic team, your program coordinator will send you information regarding your arrival date and special instructions. We do ask that if you are not scheduled for an early arrival for a sponsored activity that you do not request to move-in prior to the normal move-in dates. In order to maintain a smooth and efficient move-in experience for the 1,000 students living in our residence halls, we are unable to take individual requests for specific move-in times or dates. We are working hard to prepare the residence halls and make sure everything is ready for you, and for staffing purposes, we need you to only report to campus on your assigned check-in date, the check-in process to take at least 30 minutes.

Your Room

And remember: when in doubt, leave it out!

All rooms are furnished with a desk, chair, bed with an extra-long twin mattress, a closet, dresser, WiFi Connection and cable television access. Dimensions of the rooms will vary in size from hall to hall and room to room. We recommend that you wait until after you arrive on campus to consider buying large rugs or other measurable decorative items.

You are not allowed to use nails or screws to attach anything to the walls or ceilings. Please investigate alternative, non-marking methods of attaching posters, pictures, etc., to the walls of your room. Some suggestions are Sticky-Tac and 3M Command Adhesive products.

Here are things you need to survive, things you might want to bring, some things to discuss with your roommate, and things that you are restricted from bringing. Please take a look and pack accordingly. Remember, this is just a start! If you have any questions on what you think you would like to bring but are not sure if it's okay, please give us a call at 740-376-4784. We are more than happy to answer any questions for you!

Frequently Asked Questions

When will I know who my roommate is?

Information about who your roommate is and where you will be living on-campus will be mailed out the first week in July.

What if I am not getting along with my roommate and want to move?

While we hope that you are able to have a great experience with your roommate, it sometimes does not go smoothly. The Office of Community Living staff is specially trained to assist residents in developing effective roommate relationships.

Are futons allowed?

No, we require students to use the furniture provided in their living space as it complies with California fire code. Lounge furniture has been purchased for common areas within each building as a means to connect students socially and for group study spaces.

Will Marietta College replace my property if it is stolen or damaged?

Marietta College does not carry insurance on student's personal items. It is advised that students carry renters insurance to cover theft or damage to personal items.

Does Marietta College provide storage for personal belongings?

No, Marietta College does not have storage space available for personal belongings.

How can I get a tour of the halls?

Please contact the Office of Admission, 1-800-331-7896.

Do I need a meal plan?

All undergraduate residents are required to obtain a meal plan. More details about dining services can be found on page 13 or by visiting www.dining.marietta.edu

Is there Housekeeping?

Housekeeping staff clean the common areas and hallways regularly. You are required to clean your own room and bathroom (if in a suite or apartment).

Dining Services

Every residential student at Marietta College is required to have a meal plan.

On-campus dining services are provided to Marietta College students by Parkhurst Dining. Each meal plan offers a specific number of meal swipes per week plus a Dining Dollars amount for custom purchases in campus cafes. Each time you dine, a meal will be deducted from your total meal balance for that week. Your meal plan will reset every Saturday night. Meal plans allow up to 3 unrestricted meal swipes per day, seven days a week in the three dining locations that participate in meal exchanges.

Selecting Your Meal Plan

Each semester you will select the meal plan that works best for you. If you find your plan is not fitting your needs, you have up to 10 days after the semester starts to make a change. The meal plans are designed for personalized meal planning, and to determine what meal plan to select, you will need to select the plan that best fits the number of meals you anticipate needing each week. All incoming first-year students are assigned a Freedom 14 Plan but have the option to change their meal plan by visiting their Residence Account and filling out a meal plan change application.

Freedom 14 Plan

This plan offers flexibility and value for the average diner:

- Use during any meal exchange time period, at any meal exchange eligible location, and you are allowed to visit up to 14 times per week
- \$75 Dining Dollars that you can use to add a snack or meal at any time

Freedom 19 Plan

This plan offers the best value for regular dining guests:

- Use during any meal exchange time period, at any meal exchange eligible location, and you are allowed to visit up to 19 times per week
- \$35 Dining Dollars that you can use to add a snack or meal at any time

Dietary Restrictions

Marietta College and Parkhurst Dining understand that students have a variety of dietary restrictions. Parkhurst Dining prides themselves on meeting the needs of a diverse student population. Parkhurst provides a special allergen-free zone in Gilman Dining Hall and serve vegetarian and vegan options at all meals. If you have any questions, please contact Parkhurst Dining Services at **740-376-4786**.
