Dear Marietta College Graduate:

Bruce Heflin Photography will be taking pictures at your commencement. Each graduate is photographed receiving your diploma. A cap & gown photo will also be taken of you holding your diploma before you return to your seat.

Before and after the ceremony, photographers will be roaming around taking candid pictures of the graduates with their families and friends.

We are excited to announce a new feature to our photography services. A QR code will be provided to graduates to register for candid digital images ahead of time. You can register on any cell phone by uploading a selfie. As you register, you may provide up to 14 cell phone numbers and/or email addresses to which images will be sent immediately, when possible. If circumstances prevent immediate distribution, images will be sent promptly after the ceremony. No purchase is necessary to participate in sharing of digital images. *Look for a communication from the Records Office with the QR code as we get closer to the end of the term.*

We hope this new program will enhance our service to you and your family. Imagine a family member who is unable to attend having access to view images of the ceremony before you have even left campus.

If you have any questions, please feel free to contact us at the information provided above. Be sure to let your family know that if they forget their cameras, run out of film, memory, or their batteries go dead, someone is there to capture this special day.

Thank you:

Bruce L. Heflin
