

# WELCOME TO MARIETTA COLLEGE'S ONE HUNDRED EIGHTY-FIFTH ANNUAL COMMENCEMENT

With roots that reach back to the 18th century Muskingum Academy, Marietta College was officially chartered on February 14, 1835, by the State of Ohio as an institution charged with educating youth in all the various branches of the liberal arts and sciences. From the beginning, Marietta has been an independent, nonsectarian, liberal arts college.

Today's graduates share a common foundation of courses in written and spoken communication, and have been required to acquire a coherent experience in several fields of study. Moreover, each has pursued an in-depth study of a discipline in one or more of over 50 undergraduate and graduate programs. Marietta College grants degrees to these individuals, confident they have been readied to exercise their callings with competence and to fulfill their civic and social responsibilities with understanding.

The individuals receiving degrees today will join more than 25,000 living Marietta College alumni as members of The Long Blue Line.

## COMMENCEMENT SPEAKER

MATTHEW B. WEEKLEY '81

Matthew B. (Matt) Weekley '81 is a former partner with the accounting and consulting firm of Plante Moran. He also served as the leader of the firm's national healthcare practice. His responsibilities included revenue growth, client satisfaction, serving on firm leadership committees, and supporting 25 partners and 200 staff across more than a dozen Plante Moran offices from Ohio to Colorado. Plante Moran is perennially listed in FORTUNE magazine's list of "Best Companies to Work For" in America.

Matt was selected by Plante Moran to attend Harvard Business School's highly acclaimed program "Leading Professional Services Firms" in 2006. During his career, Matt was often called upon to speak to clients, boards, and fellow professionals regarding topics such as change management, strategy development, and succession planning. He was considered a skilled mentor and developer of people, with many of his staff becoming partners in the firm or successful leaders in other career pursuits.

After graduating from Marietta College with a bachelor's degree in Accounting, Matt spent his early years in public accounting serving health care clients and became the CFO of a health system at 29.

Matt has served on the College's Board of Trustees since 2015 and is in his second year as Chair of the Board.

*As a courtesy to the graduates and those in attendance today, please turn your cell phones to vibrate.  
We also ask that all family photographers remain in their seats when taking photos or go to the assigned area off to the left of the stage.*
