

## Student Banking Information Guide in Self-Service

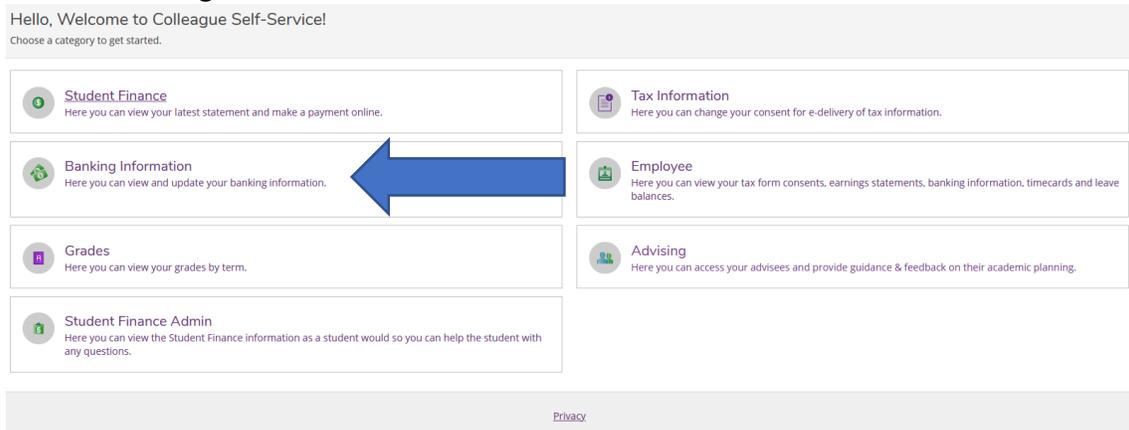

Students can add their banking information to Self-Service in order to receive refunds directly deposited into a bank account.

**Please note: This guide is for student user accounts and not proxy (parent) user accounts. If there is a Parent Plus loan on your account and the parent/borrower has not already indicated that refunds can go to the student, then the refund will be mailed via check to the parent/borrower's address specified on the application.**

1. Navigate to [selfservice.marietta.edu](https://selfservice.marietta.edu) or access the Self-Service link in myMarietta.

2. Login using your network (email) username and password.
3. Click on the Banking Information button.

4. Click Add an Account.

7. Your account will show as Not Verified until Student Accounts completes the verification process with the bank. This process could take 3 days. No action is needed by the student to complete the verification process. If there is an issue, Student Accounts will contact you by email.
8. In order to make changes after the initial setup, you will need to confirm the account number on file before continuing. If you are unable to confirm your bank account, please contact Student Accounts.

### Confirm your bank account number

New Account Account Ending: ...3343

Bank Account Number

You must confirm a pre-existing account number to continue.

Cancel Confirm

9. After confirming, you can continue to follow the steps again to add and/or update your banking information. Only one account can be active at a time. The active account will be the account used by Student Accounts for refunds. Please note, if you have a Parent Plus loan on your account and your parent/borrower has not already indicated that refunds can go to the student then the refund will be mailed via check to the borrower's address specified on the application.
