

ACADEMIC ADVISING

Academic advising is viewed as an integral part of the educational process and every undergraduate at Marietta College will have an academic advisor. Advising is the process by which the student is directed to significant knowledge of self and of the College and its resources and requirements.

First Year Students

The instructor in a first-time student's First Year Seminar course is typically the academic advisor for at least the first two semesters. The academic advisor assists the student with the registration process and other aspects of academic advising. The student is encouraged to select an advisor from among the faculty teaching in the student's major by the beginning of the third semester but no earlier than midsemester of the second semester.
