

## CONTINUING EDUCATION PROGRAM

### ASSOCIATE DEGREES

The associate degree option is open only to Continuing Education students. The degrees available are the Associate of Arts Degree in Business Administration and the Associate of Arts Degree in Liberal Arts. Both degrees require 61 credit hours of course work. Credits for courses numbered below 100 do not count toward the minimum credits required for the degree. All courses taken for the associate degrees may be applied to a bachelor degree at the College. At least 15 of the last 18 credit hours for either of the degrees must be completed at Marietta College.

The course requirements for the associate degrees are:
