CONTINUING EDUCATION POLICIES

COURSE LOAD

The normal academic load for Continuing Education students is six credit hours, but a maximum of eleven credit hours is permitted.

AUDITING

If a student chooses to audit a course, he or she is not required to take any of the examinations or meet any of the other academic obligations of the course but may participate more fully if he or she wishes to do so. No grade or credit is recorded; however, a record of the course audit is kept on the student's transcript in the Records Office. The fee for auditing a course is $250 per credit hour plus any applicable course fees. Students who register to audit a course but stop attending may be administratively withdrawn from the course and assigned a grade of W (see Grading section) at the discretion of the registrar.
