

Lunch and Dinner

Welcome, no need to swipe your card.

Please, help yourself to the packaged meals, there are hot and cold options available as well as several grab and go options. Beverages are available. We are asking that you take only what you will eat. We're open all day and you're welcome to return as many times as you would like.

If you have food allergies or dietary restrictions and have not communicated directly with Parkhurst Dining since the beginning of the Covid-19 outbreak, please e-mail General Manager Adria Handley at alh007@marietta.edu

With the reduced population on campus, we want to ensure we have appropriate menu items available at all meal periods.

Thank you for your patience and flexibility.
