ATTENTION STUDENTS Review Notice on 2nd page

ATTENTION STUDENTS

It is the student's responsibility to ensure that he or she understands the requirements, policies and procedures governing the academic program being followed. Students should refer to the college catalog for detailed information about the general education curriculum and other graduation requirements.

DISTRIBUTION CATEGORIES	Courses with these PREFIXES <i>generally</i> are eligible for the listed distribution category.
QUANTITATIVE REASONING	МАТН
Focuses on the process by which problems are described mathematically and solved within a structured mathematical framework, as well as to the manipulation and interpretation of numerical categorical information.	
ARTISTIC EXPRESSION Focuses on participation in and examination of aesthetic creation. Through art, individuals and groups explore the intersections of ideas and feelings, as well as the relationship between literal and figurative expression.	ART MUSC DANC THEA ENGL WRIT (excluding WRIT 101/102) GRPH
CIVILIZATION & CULTURE Focuses on how cultural, linguistic, philosophical, political, economic, and religious structures within localities and regions work with and against each other to form civilizations. It further examines how structures of the past relate to those found in our present world.	ASN PHIL ARTH PORT CHIN RELI HIST SPAN LING
SOCIAL ANALYSIS Focuses on systematized efforts to understand human behavior and relationships. It converts complex human actions and interactions into observable, testable, interpretable data.	ECON COMM (excluding COMM 203) ENTR MNGT ENVS MKTG GEND POLS MASS SOCI
SCIENTIFIC INQUIRY Focuses on systematized efforts to understand the living and non-living natural world. It demonstrates how laws of nature are inferred, isolated, observed, tested, interpreted, and shared.	ASTR ENVR BIOL GEOL CHEM PHYS ENGY PSYC

COURSE ELIGIBILITY EXCEPTIONS

Courses outside of these categories <u>may be eligible</u>—Some courses not within these disciplines have been deemed eligible to fulfill General Education requirements by the Curriculum Committee and are labeled in the Course Catalog and Schedule with the appropriate category.

Courses within these categories <u>may not be eligible</u>—Similarly, some courses within these disciplines have been excluded from the distribution category noted. These too are identified in the college catalog and course schedule.

NOTE: Co-curricular hours can fulfill a maximum of three (3) credit hours per Distribution category.
