#### **HOW CAN I VOLUNTEER?**

Mentor a 5-17 year old child in Washington County, spending time with the Little Brother or Little Sister weekly for a minimum of one year. #### **VOLUNTEER REQUIREMENTS:**

Volunteers are required to complete multiple background checks, provide references, complete an interview, and attend a training.

#### **TIME COMMITMENT:**

We require Big Brothers or Big Sisters to commit to a minimum of one hour of service weekly to a child for one full year. ### **[CHILDREN'S HOME SOCIETY OF WEST VIRGINIA:**

#### **WE CAN MENTORING PROGRAM]**

The mission of Children's Home Society of West Virginia is to promote the well-being of children. Our current efforts are directed towards protecting and nurturing children while helping to enhance, preserve, and strengthen their families. mentor to take advantage of the resources in the community while promoting recreational, educational, and cultural activities and events that the child or youth may not have previously had the opportunity to be exposed to.

Advantages of being a mentor include personal growth, the opportunity to be creative and learn effective listening and problem solving skills, and achieve a feeling of fulfillment and satisfaction from making a positive difference in the community and in the life of a child.

\*\*We will reimburse up to \$40.00/month in expenses accrued from the mentoring match, including \$.47 per mile in transportation costs\*\*
