Marietta College is required by the US Department of Education to have recipients of Federal Title IV financial aid (e.g. Stafford Loans, Perkins Loans, Plus Loans, TÉACH, SEOG, PELL Grants) complete a Title IV Authorization Form. Students who receive this type of aid must decide between authorizing Marietta College to use Title IV financial aid funds to pay for educationally related charges (damage deposits, finance charges, late registration fees, etc…) or to be refunded. This authorization remains valid through subsequent award years. It can be rescinded at any time, in writing, and will become effective on the date it is received by Student Accounts. Please refer to the Student Accounts Website for additional information.

Students please complete section (A). If you are a Plus Loan recipient, the Borrower of the Plus Loan must also complete (A) and (B).
