#### **ETS Testing**

The Marietta College curriculum is designed to develop students' skills in reading, writing, mathematics and critical thinking. To ensure that our courses and co-curricular activities effectively serve students, we administer the nationally-respected Proficiency Profile exam from ETS to all fulltime students in their first year at Marietta College, and then again in their graduating year. Students who score in the top 20% of their senior class are recognized for the achievement at commencement. The exam is a multiple-choice test similar to the ACT and SAT.

#### **Run, Hide, Fight Training**

Run, Hide, Fight Training is an interactive training hosted by the Marietta College Police Department to provide strategies and tips to students as to how to respond should there be a situation involving an active shooter.
