

SUMMER SESSION

Eligibility

No formal application is necessary to enroll in summer session courses at Marietta College. Students in good standing at any college or university, or persons who wish to pursue course work on a part-time basis may enroll. Any high school graduate or high school student meeting the PSEO guidelines is eligible to enroll. Attendance at summer term courses does not constitute formal acceptance to Marietta College.

Schedule

The summer session usually begins in mid-May and ends in late July or early August. Course schedules vary according to instructor preferences. The dates vary slightly from year to year and the student should refer to the Summer Session schedule for details.

In addition to on-campus courses, Marietta College offers online courses during the summer session in an accelerated format. This means that a full 14 weeks of material is covered in these shorter summer sessions. The exact number of hours per week that you can expect to spend on each course will vary based upon the length of the session, the weekly coursework, as well as your study style and preferences. However, you should expect that the total time spent on each course will be equivalent to, or exceed, that which would be dedicated to a single course in a standard academic term.

Course Load

A student may enroll in a maximum of two courses in any single or overlapping sessions during the summer and a maximum of 12 credit hours for the entire summer semester. Permission for exceptions to these limitations must be obtained from the registrar.

Fees

Fees for summer session courses are the same as the Continuing Education fees listed above with the exception of summer academic internships, which are strongly encouraged. For this reason, the College provides internship opportunities at a heavily discounted rate. Summer academic internships are billed at a single fee of \$475 for a maximum of 3 credits per internship.

Refunds for withdrawals

Refunds for summer courses are pro-rated according to the length of the course. Full refunds are given only if the course is dropped before the second day of the course. Specific drop, withdraw and refund dates for each Summer Session are available on the Summer Session Website at <http://www.marietta.edu/summer-session>. Once the course begins, refunds will be prorated according to the schedule published by the Records Office.
